

Directions to display and removal of the message to canceling the GSM lecture because of inclement weather.

Step one logon to GSM web site.

The screenshot shows the website interface for the Geological Society of Minnesota. At the top, there is a search bar, a user profile for 'gsmPresident', and a 'Log out' link. Below this is a banner for 'ROCK TYPES' featuring a geological cross-section diagram with labels for various rock types and a fault line. The diagram is oriented from 'NORTH-CENTRAL' to 'SOUTHEAST'. To the left of the banner is the Geological Society of Minnesota logo, which includes the text 'GEOLOGICAL SOCIETY OF MINNESOTA' and '1938'.

The main navigation menu is located below the banner and includes the following items: Member Directory, Add Item, Board Documents, Video Library, Home, Events, Members, Board, About GSM, and Contact. The 'Board Documents' menu is expanded, showing a list of options: Board, Treasure Reports, List Event Notices, Board Reports, Booth Setup, and Update Newsletter. A red arrow points from a text box to the 'Board Documents' menu item, and another red arrow points from the same text box to the 'List Event Notices' option in the expanded menu.

Click "Board Documents", then click "List Event Notice"

The user profile section on the left side of the page shows the name 'gsmPresident' and three buttons: 'View', 'Edit', and 'Track page visits'. Below this, there are sections for 'Email' (Plaintext email only: No), 'Newsletters' (Subscribed to: None), and 'History'.

Event Notice Message:

Due to COVID-19, the GSM Board has cancelled the remainder of our spring lecture schedule, March 16, March 30, April 13, and our Spring Banquet on April 27. We are looking into rebooking these talks for the 2020-2021 schedule.

Looking ahead to what will hopefully be happier and safer times, we plan to start the fall schedule with our Fall Banquet on Monday, September 21 at U Garden Restaurant, with lectures every 2 weeks following until December 14

GSM Seminars

GSM's seminars with PowerPoint presentations are free and open to the public. They are presented by leading professionals in their fields and are aimed at learners from high school to adult. A question-and-answer sessions follows each seminar. The labs, also free and open to the public, allow a hands-on learning experience and demonstrate the ideas and principles of geology and earth science.

Lecture for this evening has been canceled because of inclement weather.

Welcome to the Geological Society of Minnesota

The **Geological Society of Minnesota** is a nonprofit educational organization in operation since 1938. Our mission has been to promote public interest and to supply educational support in the geological sciences. We sponsor free lectures and labs at the University of Minnesota, conduct statewide and regional field trips, hold classroom presentations for schools, maintain a media library, publish relevant information for public distribution, and maintain and expand upon a series of geological markers throughout the state.

GSM Seminars

GSM's seminars with PowerPoint presentations are free and open to the public. They are presented by leading professionals in their fields and are aimed at learners from high school to adult. A question-and-answer sessions follows each seminar. The labs, also free and open to the public, allow a hands-on learning experience and demonstrate the ideas and principles of geology and earth science.

Removing Inclement weather message on GSM web site

The screenshot shows the website interface for the Geological Society of Minnesota. At the top, there is a search bar, a user greeting "Hello gsmPresident", and a "Log out" link. Below the navigation bar, there is a banner for "ROCK TYPES" featuring a geological cross-section diagram with labels for various rock types and features. The diagram includes labels for "sandstone and shale", "iron-formation", "glacial and stream sediments", "graywacke and slate", "sandstone, dolost one, and shale", "volcanic and sedimentary rocks", "metamorphic and plutonic rocks", and "fault". The diagram is labeled "NORTH-CENTRAL" on the left and "SOUTHEAST" on the right.

The navigation menu is located below the banner and includes the following items:

- Member Directory
- Add Item
- Board Documents
- Video Library
- Home
- Events
- Members
- About GSM
- Contact

The "Board Documents" menu is expanded, showing the following options:

- Board
- Treasure Reports
- List Event Notices
- Board Reports
- Booth Setup
- Update Newsletter

A red arrow points from a text box to the "List Event Notices" option in the expanded menu. The text box contains the instruction: "Click 'Board Documents', then click 'List Event Notices'".

The main content area features a yellow banner with the text: "Lecture for this evening canceled because of inclement weather." Below the banner, there is a section titled "Welcome to the Geological Society of Minnesota" with a paragraph of text describing the organization's mission and activities.

A question-and-answer sessions follows each seminar. The labs, also free and open to the public, allow a hands-on learning experience and demonstrate the ideas and principles of geology and earth science.

The schedule of seminars and labs for 2019-2020 [here](#)

All seminars and labs are free and open to the public.

.. .

The screenshot shows the website for the Geological Society of Minnesota. At the top left is the society's logo, which includes a map of Minnesota and the year 1938. To the right of the logo is a diagram titled "ROCK TYPES" showing a cross-section of geological layers. The layers are labeled with various rock types: "sandstone and shale", "iron-formation", "glacial and stream sediments", "graywacke and slate", "sandstone, dolostone, and shale", "volcanic and sedimentary rocks", "metamorphic and plutonic rocks", and "fault". The diagram is oriented "NORTH-CENTRAL" to "SOUTHEAST".

Below the diagram is a navigation menu with several items: "Member Directory", "Add Item", "Board Documents", "Video Library", "Home", "Events", "Members", "Board", "About GSM", and "Contact". A red arrow points from a text box to the "Board Documents" menu item. Another red arrow points from the same text box to the "List Event Notices" sub-item in the "Board Documents" dropdown menu.

The text box contains the instruction: "Click 'Board Documents', then click 'List Event Notice'".

Below the navigation menu, the user's name "gsmPresident" is displayed. There are three buttons: "View", "Edit", and "Track page visits".

Under the "Email" section, it says "Plaintext email only" and "No".

Under the "Newsletters" section, it says "Subscribed to" and "None". There is a link to "Manage subscriptions".

At the bottom, there is a "History" section.

Event Notice Message:

Click "Edit"

Due to COVID-19, the GSM Board has cancelled the remainder of our spring lecture schedule, March 16, March 30, April 13, and our Spring Banquet on April 27. We are looking into rebooking these talks for the 2020-2021 schedule.

Looking ahead to what will hopefully be happier and safer times, we plan to start the fall schedule with our Fall Banquet on Monday, September 21 at U Garden Restaurant, with lectures every 2 weeks following until December 14
