

Minnesota Sesquicentennial Commission Grant Project conducted by the Geological Society of Minnesota to install or update seven Historical Markers at designated State Park Locations.

August 5, 2009

August 5, 2009

A complete and final report of the Project will be submitted to the Minnesota Historical Society by August 31, 2009.

The following is an accounting of encumbered funds by State Park location.

Split Rock	\$3968.00
Interstate	2538.17
Gooseberry Falls	2613.17
Flood Bay	2778.17
Frontenac	4800.17
McCarthy Beach	6322.17
Beaver Creek	3421.17

Total encumbered funds \$26441.02

Being that the Grant totaled \$40000.00, the difference of \$13558.98 is to be returned to the State per your instructions or we can apply the difference to additional State Park locations as will be determined, if authorized to continue the project.

Please advise us if any additional information is required to continue the project or if needed prior to our final reporting August 31, 2009.
